Dear Hiring Manager

I am writing to apply for the position recently advertised by your organization, which aligns closely with my academic background and career goals. I graduated with a Bachelor's Degree in Computer Science from Wolkite University on July 12, 2023, achieving a CGPA of 3.35 and an exit exam score of 67%.

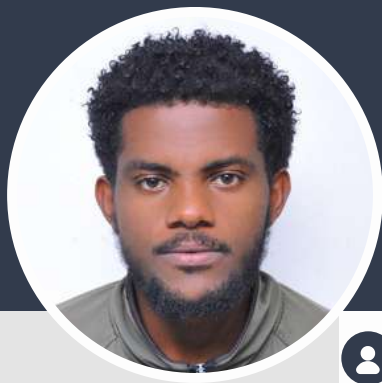

I am eager to begin my professional journey in a forward-thinking and dynamic organization such as yours, where I can grow and apply the skills I have gained throughout my studies. From my attached CV and supporting documents, you will see that I have built a solid foundation in programming, software development, data structures, and systems analysis.

In addition to my academic qualifications, I consider myself a highly motivated, responsible, and committed individual. I am passionate about technology, always eager to learn new things, and dedicated to delivering high-quality work. I am confident that my enthusiasm, combined with a strong sense of duty and teamwork, will make me a valuable addition to your team.

I sincerely hope you will consider my application and provide me the opportunity to contribute to your organization. I would welcome the chance to further discuss how I can support your goals during an interview.

Thank you for your time and consideration.

Sincerely
Muluken mesfin

PROFILE

I am a highly motivated and skilled computer science graduate with a Bachelor's Degree from Wolkite University, completed on July 12, 2023, with a CGPA of 3.35 and an exit exam score of 67%. I have solid experience in software development, web technologies, and database systems. I am proficient in programming languages such as Python, C#, JavaScript, PHP, and SQL, and well-versed in front-end development using HTML, CSS, and Bootstrap. I also have hands-on skills in using MySQL and SQL Server for database management and am familiar with Microsoft Office tools, networking concepts, and software support. Additionally, I possess foundational knowledge in Artificial Intelligence (AI) and Machine Learning (ML).

With strong problem-solving abilities, attention to detail, and a passion for continuous learning, I am prepared to contribute effectively to software projects and technical teams. I am eager to join a forward-thinking organization where I can apply my knowledge, grow professionally, and support the achievement of team goals.

Dear muluken mesfin,

Congratulations on successfully completing the NDG Linux Essentials course in the Cisco Networking Academy. By completing this course, you are now prepared to earn the Linux Essentials Professional Development Certificate from the Linux Professional Institute (LPI).

Today's job market is competitive, but the rewards are worth it. With employers reporting they are paying salaries well above company norms, paying out bigger bonuses, and offering flexible schedules, there has never been a better time to have strong Linux abilities. Verifying your skills with a professional certificate can be a great way to stand out from other candidates, by proving you have the technical abilities required for the job. Become a stronger prospect in the job market by pairing our certificate with other industry-recognized certifications such as Cisco Certified Network Associate (CCNA).

OBTAINING THE LINUX ESSENTIALS PROFESSIONAL DEVELOPMENT CERTIFICATE SHOWS THAT YOU:

- Understand the Linux operating system
- Have demonstrated the ability to navigate a Linux system
- Can execute the power of the Linux command line
- Possess knowledge of Linux security and file permissions
- Have the motivation to advance your IT career

Go to LPI.org to learn more about the Linux Essentials Professional Development Certificate!

Sincerely,
The NDG Team

NDG LINUX SERIES

We hope you'll continue your Linux studies with the NDG Introduction to Linux I course. This course prepares you for the LPIC-1 101 Exam, the first of two towards the LPIC-1 Linux Server Professional certification from the Linux Professional Institute (LPI). The LPIC-1 certification will show you have the in-demand Linux skills that employers are seeking.

Date 21 Mar 2022

Certificate of Training

This Certificate is given to

Muluken Mesfin

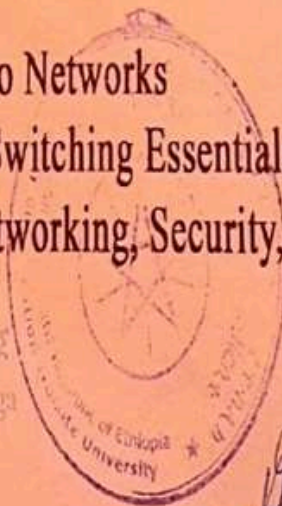

for successful completion of the course Certified Network Associate (CCNA)
given in Wolkite University Cisco Networking Academy from 30 December
2021 to 27 June 2022 and He/She has taken the module .

- CCNA1: Introduction to Networks 70 Hrs
- CCNA2: Routing and Switching Essentials 70 Hrs
- CCNA3: Enterprise Networking, Security, and Automation 70 Hrs
